

Advanced Reading Strategies

Read Faster, Smarter, and More Critically

This guide helps advanced learners improve comprehension, speed, and critical reading skills.

Before Reading

- Have I identified the purpose of the text?
- Do I understand the context and audience?

During Reading

- Am I skimming for structure before reading closely?
- Do I note key arguments and supporting evidence?

After Reading

- Can I summarise the main ideas accurately?
- Can I evaluate the writer's argument objectively?
