## About Us

Jellys Volleyball has been an established volleyball club in the Sarasota-Charlotte County area since 2007. Our first priority as a club is to keep Christ preeminent in all we do. We believe competitive sports can be played in a way that glorifies the Lord. Every participant is valued as a holistic individual, not merely an athlete. We partner with participants to model spiritual, mental, and athletic development.

## Club Schedules

Please note that all practice and tournament schedules are tentative. If your athlete is selected for a team, coaches will notify the parents/guardians of practice days and locations. Jellys Volleyball staff members work to finalize tournament schedules for Girls Mini-Club Season and Boys Indoor Club Season by late July or early August. Tournament schedules for Girls Indoor Club Season are usually finalized by mid-December.

## A Note from the Directors

Jellys Volleyball is a Christian organization. We require each athlete and their parent/guardian to sign a Code of Conduct Statement agreeing to adherence of Christ-like behavior. We pray with all athletes on a regular basis, and at every tournament teams will participate in a group devotional.

Thank you for your time, prayers, and consideration.
