## Wags & Whiskers fundraiser

THANK YOU SO MUCH to all who attended, sponsored, donated, and volunteered at our Wags & Whiskers fundraiser on Nov. 8th, 2025. Together, we raised **\$12,347** for the animals!

Charlie is a wonderful, positive, life of the party kind of guy! He is very affectionate and loves to be around people. He knows his basic commands and is always ready for a game or a fun training session. Adopting Charlie means gaining a loyal buddy who will always be there to cheer you up and keep you active.

Cheerios arrived at the Shelter as a stray in November, 2024. She's curious and loves to watch the world go by from her cat tower. She's learning to love that humans can be friendly and would do well in a home with a friendly cat or dog. Adopt Cheerios and fill your life with curiosity and quiet companionship.

## ADOPTION CORNER

Snoopie (formerly Charlie Chaplin) was adopted from UCHS in 2024. After the passing of my Skoobie, I noticed Snoopie got very down very quickly and it was clear to me he needed a friend. I met Wolfie (formerly Onyx) at Petsmart in April 2025 and fell in love with him. When he and Snoopie met each other, they immediately bonded. He cuddles with me and loves to groom Snoopie. Best friends for life.

*"Adopted separately, they bonded immediately. Thank you, UCHS, for bringing so much joy to my little family after experiencing a lot of loss."*
