Meet
Moon
Stone!

Moon Stone and his siblings were left outside of our Thrift Store in Nov'22. They were squished in a carrier with a note they needed a new home. Our volunteers quickly got them in from the cold and they were brought to the shelter. Moon Stone has been neutered and is very well socialized and waiting for a home to call his own.

ADOPTION CORNER Charlie

After a year with UCHS, **Charlie** met Libby and it was mutual love at first sight. "Cheeky Charlie" purrs and greets any visitor. He loves chasing cat toys up and down the hall, squirrel watching at the window, but mostly he loves snuggles and hugs with his new mom.

"I won the lottery when I was chosen to be Charlie's mum. He brings so much love and joy into my life." ~ Libby
