Oswald & Bowie

Oswald & Bowie came to UCHS in Aug 2024. They were very well cared for and loved; however, their owner was moving and unable to take them. They were adopted together and are enjoying life with their new family.

Update from Family:

"We are so grateful to have these senior sweeties join our family. We all love them, especially our big dog, who gets supervised visits and treats them like they are her babies! Thank you to UCHS for being a caring connection between their loving homes."
