Diamond
Looking for a Forever Home

Diamond was found in an industrial area in Dec'23 and brought to us by a kind gentleman who just couldn't see her left out in the cold. She is a shy girl but has already shown great potential. She is now looking for another kind person to take her home and teach her what a great life she can live!

Meet
Bowie &
Oswald!

Bowie & Oswald came to UCHS in August 2024. They were very well cared for and loved, however their owner was moving and unable to take them. Both guinea pigs are well socialized and friendly. Oswald is very easy to handle, and Bowie is a bit shy but very confident in cage.
