SUPER BLACK RICE
FROM SMALL VILLAGE
IN THAILAND

Introducing Bioblack's black rice granola, a nutritious and socially responsible breakfast option. Made from organic superfood black rice cultivated by farmers in the Bioblack Community Enterprise in Phayao province Thailand, this granola is unique in taste and texture thanks to the innovative and traditional farming methods used. Bioblack granola is not only convenient but also healthy and delicious, with no gluten or complicated additives. Packed with antioxidants and essential nutrients, it supports Phayao farmers and helps preserve the rice for future generations while promoting sustainable communities. Enjoy Bioblack granola guilt-free and contribute to a better world.

OUR STORY

**BIO
BLACK**
SUPER BLACK RICE
FROM SMALL VILLAGE
IN THAILAND

Black Rice is not just any rice; it's a superfood packed with antioxidants, notably anthocyanin—the very same pigment found in nature's vibrant treasures like eggplants and blackberries. Unlock a world of well-being with Black Rice Superfood. Its potent antioxidants, both fat- and water-soluble, offer comprehensive support for heart and brain health, while also bolstering the immune system. But the benefits don't end there. Black Rice is a nutritional powerhouse, boasting higher fiber, iron, and protein content than regular brown or white rice. Plus, it boasts a low glycemic index, ensuring sustained energy and stable blood sugar levels. Embrace vitality and nourish your body with Black Rice Superfood. Elevate your overall well-being and experience the difference it can make in your life. Indulge in the flavors, reap the rewards, and discover the true potential of this superfood. Black Rice Superfood—where taste meets nutrition, and wellness is redefined. Elevate your health, embrace the power of Black Rice.
