

Reading Enrichment (1-2)

This class is designed to encourage reading during the summer months. Your child will have the opportunity to build on his or her phonics, vocabulary, high frequency word practice and comprehension skills through a variety of activities. They will also have the opportunity to explore some new children's books and hear many of the classics through many read-a-louds.

Summer Math Adventures, Grade 3-4

Summer math adventures will review concepts learned in grades 2-3 using hands on activities, manipulatives, board games, and computer games. The concepts covered this summer will include: addition, subtraction, time, money, measurement, multiplication and division. This class is intended to provide students with some extra drill and practice before moving into 3rd and 4th grades.

1st-2nd Grade Subject Area Class	Level	Day	Time	Cost Per Subject/Session
