

The Board asks for your continued prayers, your commitment to assist, and your partnership. No man is an island unto himself. The Board knows that they can't do this alone. Any generosity (monetary, book donations, quality time, suggestions, implementations, serving as a mentor) that you can provide is greatly appreciated

If you are a like-minded individual with a heart for helping kids and those less fortunate, we ask that you **JOIN THE CIRCLE!** Please go to our website and fill out the volunteer form. We need **YOU.**

Dr. Tanika Long, President

Dr. Long is the founder and President of the Board of Full Circle of Hope, Inc, a 501(c)(3) nonprofit created specifically to be an asset to Barnesville/Lamar County. She was that disadvantaged student who grew up in Barnesville. It was only by prayer, the love of reading, the love and support of family and community that she didn't become a statistic. She is the first and only African American female from Barnesville to become a physician. She was divinely inspired to create Full Circle to come back and to encourage others to come back to provide HOPE to our kids.

FULL CIRCLE OF HOPE, INC.

The purpose of FCOH is to positively impact the educational, social, spiritual, and physical lives of African American and other disadvantaged, marginalized students in Barnesville, GA/Lamar County.

OUR FOCUS

It is our goal to better our community by assisting its most vulnerable residents and their families. According to census data, 20% of Barnesville's population lives at or below the poverty level.

We want to help close the obvious gap created by this fact. We plan to provide little libraries in neighborhoods that need them the most, free books, free college/scholarship info, college tours, scholarships, Money Makeover events, mentorships, "Can Anything Good Come Out of Barnesville" Career Fair/ Scholarship gala where residents from Barnesville who are successful come back FULL CIRCLE to provide H.O.P.E. (Help Our People Excel) for our kids, and so much more!

FULL CIRCLE OF HOPE'S BOARD MEMBERS

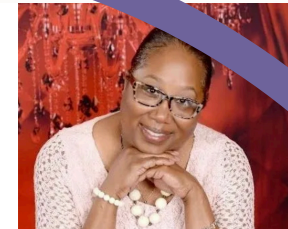

The goal and focus of every Board Member is to better the life of even just one child or one family from the Barnesville/Lamar County area. We are all current or former residents of the area, and we have purposed in our hearts to come FULL CIRCLE to provide H.O.P.E. (Help Our People Excel)!
