HELPING OUR PEOPLE EXCEL!

Message from Full Circle of Hope Founder / President of the Board

I am delighted that you chose to join us for our first Full Circle of Hope (FCH) Scholarship Gala and Auction! It is my pleasure to share our mission and our purpose with you! FCH was founded to positively impact the educational, social, spiritual, and physical lives of disadvantaged, marginalized students in Barnesville, GA/ Lamar County. I once was that student, but I was blessed to go to college and to go to medical school. I left Barnesville almost 30 years ago, and to date, there has been no other African American female physician from this town. It has been my honor to now return home full circle and to encourage others to do the same and to provide H. O. P. E. (Help Our People Excel) for the kids and their families who are coming after us.

What knowledge, skill, or encouragement might you be able to offer a young boy or girl? We are always actively seeking people to join the circle!

JOIN US TODAY!

Sincerely,

Dr. Tanika Long
