Participant Instructions

Percussion Equipment

Percussion equipment on stage will be bass drum, bells, xylophone, chimes, four tympani, and marimba. There will be no sticks or mallets available. Snare drums, cymbals, or other small equipment are not provided. If you need a piano, we need your request one week in advance!

Instrument Cases and Clothing

Please leave all instrument cases on your bus or truck. The restroom area is small and is inadequate for changing clothes.

Performance Results

Scores and other information will be available for pick up in the contest office shortly after your performance. Comments from each judge will be sent directly to the director's email address.

Risers

The use of risers will not be allowed on stage. Due to the acoustics of the hall and the placement of judges, risers do not enhance the performance or recording. This has been a tremendous help in maintaining "on time" performances. We appreciate your cooperation and understanding.
