Life is a journey

Like a mail

Beginning to end there

(full of thrill) pass and fail

So many points there

Deviation of fate

Some will rise

Some (see) jail gate

Stoppages are there

When is needed

Others are passed by

With full speeded

Come my friends here

Come to me

I am Sarvasumana

A goodwill journey

Try to achieve the goal

Good better best

We have the light

Like Buddha Kalam and the rest.
