

Be it known that the board of directors of

THE PROFESSIONAL CAR SOCIETY

Incorporated in the state of New Jersey for the purpose of maintaining, preserving, and exhibiting the fine examples of automotive craftsmanship known as Professional Cars, has this date issued a Charter in favor of

Northeast Chapter

which will, operating under the auspices of the Professional Car Society, Incorporated, be entitled to the unrestricted use of the name of the Society, and shall be recognized as an operating entity of the Society, subject only to the requirements set forth in the Society's constitution and that of the chartered Chapter.

Done this 19th day of Aug. 19 86 by the undersigned on behalf of the Society's directors:

Robert J. Parsons

President.
