# Welcome to ROBO-G

ROBO-G, a robotics learning solution company was founded in 2015 to bridge the gap between the traditional approach of classroom coaching and learning to attain a deeper understanding of subjects in children. We use LEGO Education kits which are already widely researched and used worldwide. the emphasis is always on a playful learning experience.

The curriculum focuses on STEM education (Science, Technology, Engineering, and Maths) while delivering robotics knowledge. Children are motivated and encouraged to become learners by observing and working in teams. We try to ignite their minds by actively engaging all their senses simultaneously.

ROBO-G programs help children step into the world of Coding and Robotics technology at an early age.

## 1. LEGO Early Simple Machines

### Lay the Machines & Mechanisms foundation

Early Simple Machines provides ideal opportunities for young children to develop an understanding of science concepts through investigation and hands-on activities.

LEGO Education Science and Technology solutions enable young children to behave as young scientists, by providing them with tools and tasks that promote scientific enquiry. Using our solutions, children are encouraged to pose 'What if ...?' questions. They make predictions, test the behaviour of their models, and then record and present their findings.

- Total no. of sessions: 5
- Each session: 2 Hour
- Timings: 10 AM-12:15 PM, 2-4:15 PM
- Batches: 8-12 April, 15-19 April, 22-26 April, 29 April-3 May, 6-10 May, 13-17 May, 20-24 May
- Days: Mon - Fri
- Level: Beginners
- Certificate of completion will be provided
- Fees: INR 5,500 (inclusive of all)

## 2. LEGO Simple Machines

Discover how the real world works

Simple Machines from LEGO® Education is an engaging hands-on tool that introduces children to the basic principles behind gears, wheels, axles, levers, and pulleys while laying the groundwork for further learning about science and engineering.

- Total no. of sessions: 5
- Each session: 2 Hour
- Timings: 10 AM-12:15 PM, 2-4:15 PM
- Batches: 8-12 April, 15-19 April, 22-26 April, 29 April-3 May, 6-10 May, 13-17 May, 20-24 May
- Days: Mon - Fri
- Level: Beginners
- Certificate of completion will be provided
- Fees: INR 6,000 (inclusive of all)

### 3. LEGO Simple & Powered Machines

Students become lifelong learner through problem-solving

Simple & Powered Machines from LEGO® Education is a hands-on tool that helps students in investigating everything from basic mechanical principles to advanced motor-powered machines, while also acquiring key insights into science, engineering, and technology.

This course gives students a fundamental understanding of simple machines, structures, and mechanisms. Students will investigate the principles of simple machines, mechanisms, and structures; experiment with balanced and unbalanced forces and friction; measure distance, time, speed, and weight; and much more.

- Total no. of sessions: 5
- Each session: 2 Hour
- Timings: 10 AM-12:15 PM, 2-4:15 PM
- Batches: 8-12 April, 15-19 April, 22-26 April, 29 April-3 May, 6-10 May, 13-17 May, 20-24 May
- Days: Mon - Fri
- Level: Beginners
- Certificate of completion will be provided
- Fees: INR 6,500 (inclusive of all)

\*Snacks Break: 11-11:15 PM/ 3-3:15 PM, Lunch Break: 1 - 2 PM

# TERMS & CONDITIONS

## GENERAL

- We are not providing lunch/snacks. Kindly get your own healthy food and water bottle.
- Pick up and drop facility is not available.
- LEGO kits and Robots provided during the camp are not takeaways.
- Student and kit ratio will be 2:1
- A certificate of completion will be provided.
- The maximum no. of students in a batch for each age category will be 8.

## FEES, CANCELLATION & REFUNDS

- The tuition fee is non-refundable in any condition.
- You are required to pay the tuition fees before the commencement of the camp. The child cannot attend classes without making the payments.
- If 2 siblings join the class and later if one child quits the class due to any reason then the fee can not be adjusted in the other child's fee.
- If the child quits the class in mid of the camp then the fee can not be refunded.

## MISSED/CANCELLED CLASSES

- Camp should be completed in the fixed duration of each course.
- If a student misses any sessions (max 2), catch-up classes will be provided based on the availability of slots.
- In event of a class cancellation, ROBO-G will provide alternate classes.
- ROBO-G reserves the right to cancel the scheduled classes and inform the parents in advance.

## OFFERS/DISCOUNTS

- There will be a 10% discount on the total fee only for siblings or enrolling in multiple courses.
- No other discounts are applicable to our camp.

# CERTIFICATE OF COMPLETION

## LEGO WEDO 2.0 ROBOTICS Certificate of Completion

Name: Mahati Bharadwaj

Has completed: LEGO WeDo 2.0 Robotics - Full Course

Date: 10 October 2020

# Free Domino's Pizza Making Workshop for Children

ROBO-G is excited to announce our partnership with Domino's Pizza for an engaging pizza-making workshop during our summer camp.

At the conclusion of each camp, children will have the opportunity to participate in a complimentary pizza-making workshop at a nearby Domino's store. Each child will craft their own pizza creation and savor the delicious results. Details regarding specific dates and the nearest Domino's outlet will be provided during the camp.

This will be a separate workshop on one of the weekends at the nearest Domino's outlet. You need to arrange your own pick up and drop.

# Pick A Brick - Build Your Imagination

We use LEGO bricks to make your imaginations come to life through custom models, workshops, and employee engagement activities.

In other words, we 3D print your thoughts using LEGO bricks.

## LEGO Themed Birthday Workshop

Unlock creativity at your child's birthday with our Lego workshops! From themed builds to freeform challenges, our customizable Lego birthday workshops bring fun and learning together for an unforgettable celebration.
