Looking to Get Away?

The mountains of North Carolina is our family's favorite escape. There's just something so relaxing about the mountains. Fall, when the leaves are changing, is one of my favorite times to go to the mountains. Check out my recent [blog post](#) for information on our favorite spots in: Banner Elk, Asheville, and Highlands.

In another recent [blog post](#), you will also find a list of Rentals (mostly AirBnB and VRBO) that I can recommend! The list includes homes in:

Asheville, NC

Beaufort, NC

Emerald Isle, NC

Gastonia, NC

Highlands, NC
