

Santa has been spotted on the Crystal Coast!

And, I wanted to make it easier for your family to plan a visit by grouping all of the information I could locate together. I've heard that some of the events are already filling up, which is why I decided to go ahead and share this information now. So, you may want to plan sooner rather than later.

As you will find below, there will be plenty of opportunities to see and/or meet Santa in 2019!

If you have something to add, reach out and I'll do my best to add it to the blog or at least share it on Facebook if the event is happening soon!

Here is what I've found for 2019 so far. Scroll through the list, then if any of the events really interest you, click the picture to be directed to the website for each event where you will find more information.
