

# Nye | Plumbing & Heating

Position: Plumbing/HVAC Technician

Company Overview: Nye Plumbing & Heating, a family-owned residential plumbing and HVAC company, is looking for an experienced and self-motivated technician to add to our team. This is a full-time position with benefits and a competitive salary. We are dedicated to quality and professional customer service.

Job Responsibilities: This position will require you to install, troubleshoot and maintain all types of plumbing and HVAC equipment including air conditioners, furnaces, humidifiers, boilers, water heaters and water softeners. This position does not require drain cleaning.

You will learn to use Service Fusion software to prepare estimates, record time and materials, and educate homeowners on their plumbing and HVAC options. We pride ourselves on courteous professional interactions with our customers.

You will also be responsible for maintaining inventories, supply requests, work orders and organization and maintenance of the work vehicle provided for your use.

This is a 40-hour per week position with possible overtime.

Benefits (after probation period):

- Company paid health care
- 401k plan with company match
- Paid vacation & holidays

Please email your resume and cover letter to [ken@nyeplumbinginc.com](mailto:ken@nyeplumbinginc.com). In your cover letter, please answer the following questions:

1. What area of the plumbing/HVAC industry most interests you?
2. How has your prior experience prepared you to work for Nye Plumbing & Heating?
3. What is your biggest strength and biggest weakness professionally?

We look forward to hearing from you!
