JOB DESCRIPTION

HEATING ENGINEER, SOUTH EAST LONDON. SALARY COMPETITIVE.

A N Other Plumbers is a leading provider of installation and heating services to the domestic and commercial markets, based in Bexleyheath, South London and covering the **South London and Kent**.

We have an exciting opportunity for an experience engineer to join our **friendly family based firm**.

This is an ideal opportunity for someone who is **looking to join a company where they can develop their career** and benefit from working under the name of a **respected established brand**.

We pride ourselves in providing **exemplary customer service**, and only engage with individuals who reach our **high expectations**.

It is essential that successful applicants can demonstrate a **strong commitment to the customer**, as well as **trustworthy** an **reliable** behaviour.

Essential requirements:

Your own set of tools
An ability to demonstrate a strong track record as a fully competent engineer.
Full clean driving licence
Good communication skills

We offer a extremely competitive rate of pay, 20 days paid holiday a year and profit share scheme.

Raise the bar.

Want better.

Don't be afraid to demand.

Speak to an HR professional if unsure.

Little tip
