

How to transfer shares

- All water assessments/fees need to be current prior to any transfers.
- Need to submit the signed (by owner on record) current certificate that is being transferred to Mountain Canal - PO Box 86 - Huntsville, UT 4317.
- New Owner Information sheet needs to be filled out and provide to Mountain Canal
- On the back of the certificate, it needs to state the name(s) of the new owners and exactly how they want the name(s) on new certificate. There is a \$30 certificate change fee (\$30 for each certificate either primary or secondary), payable to Mountain Canal.
- Once the certificate and change fee(s) are received, the trustees will be notified of the transfer. Once all trustees have been notified, the new certificate will be issued and sent to the new owner(s).
