

TERROR INC.

FITNESS & TRAINING

2026 SPONSORSHIP PROGRAM

Dear potential sponsor,

My name is Travis Clark and I am the founder of Terror Inc. Fitness & Training. I'm reaching out to invite you to be a part of something truly impactful: giving the gift of fitness, health, and wellness to a special needs or autistic individual in our community.

The sponsorship will provide one person with weekly personal training sessions designed to help them stay in shape, build confidence, improve self-esteem, and enhance their overall quality of life.

I believe in creating a supportive environment, where everyone, regardless of their challenges, can feel empowered and strong. With your sponsorship, you can help make this opportunity possible for someone who truly deserves it.

12 month sponsorship: \$2000.

FOR YOUR SPECIAL PERSON:

- 12 months of personal training, once each week
- A "Terror Trained" T-shirt

FOR YOU:

- A banner in the gym for 12 months showcasing your support
- A 12 month gym membership
- A "Terror Inc." T-shirt
- Optional meeting & picture with your special person

6 month sponsorship: \$1000

- Same as above for 6 months

4 month sponsorship: \$700

- Same as above for 4 months

Thank you for your support!
