

Autism Friendly Designation:

GUIDING PRINCIPLES

We are committed to supporting and promoting acceptance of people with autism.

We aim to build welcoming environments and community with autistic people and their families.

We will engage in ongoing education to further our commitment to the autism community.

We will provide accommodations for people on the spectrum.

We will proudly display and promote our status as an Autism Friendly Designation in our messaging.

We are dedicated to advancing the mission of Autism Speaks and supporting the vision of a world where all people with autism can reach their full potential.
