

PROTECTION GRID

A protection grid is used to further protect the home from negative energies by surrounding it with positive Crystals/Stones that enforce positive energies. It is not always necessary, however, for very old homes that have been haunted for hundreds of years, this would help enforce the intention of positive energies and shield against negative spirits that might choose to recycle back to the home that were not present at time of cleansing.

CRYSTALS TO PURCHASE:

Buy crystals at a spiritual store or online @ ([amazon.com](https://www.amazon.com)). Crystals I highly recommend are of the following; **Rose Quartz, Black Tourmaline, Clear Quartz, Smoky Quartz, or Citrine, Amethyst, or Red Jasper or a combination.** Stones don't have to be any larger than 5/8 (0.625) in size. You can purchase these crystals in 1 to 2 pound lots. You can also purchase chip sized crystals which would be a cost effective solution. Chip sized crystals can be purchased per bag at a cost of around \$20 per bag. (click on link below)

PLACEMENT OF CRYSTALS:

Place crystals every 12 inches (approx.) apart around home perimeter. If using chip sized crystals, place three (3) in each hole. A one lb bag should cover a standard sized home. Holes can be dug buy using a garden weeder tool. (click on link below) Time frame depends on size of home, and can take a couple of hours.

INSTRUCTIONS:

- First perform a **house cleansing** by following my self-house cleansing instructions. If needed, this service can also be performed by me.
- **Placement of the grid:** Go outside, preferably the same day or the day after, and dig small holes just enough to place the crystal under the ground about an inch or more. Deep enough that the weather will not uproot the stones. Do this every 8 - 12 inches all away around the entire perimeter of the home or building. This grid doesn't need to be up right up against the house, but can be buried 2 to 3 feet from the outside walls of the house or building.
- **Focus of intention while activating the grid.** Just as you did the house cleansing, with intent for protection against all evil or satanic entities, walk the entire perimeter three (3) times. Saying to yourself or out loud, "In the name of the father, and his son, and the holy spirit." repeatedly. At every corner of the home, recite the Lord's prayer. Again as a reminder, do this three (3) times with strong belief and intention. You may want to repeat this mental walk around once a week for 3 weeks or as much as you feel is necessary.
 - **The Lord's prayer:** "Our Father, Who art in Heaven, hallowed be Thy name; Thy Kingdom come, Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil. Amen."
- If this doesn't work, this is a much more intense situation. Possibly satanic.
