

Steps to break 'Suicide' Mind Control Programming on Behalf of a Survivor

- 1) Obtain verbal authority to pray on their behalf during a specified period of time.
- 2) Do a good set-up prayer for doing spiritual battle.
- 3) Pray the following to break programming:

I stand in the gap on behalf of ____ and all of her ancestors, going back to Adam and Eve on both sides of her family line.

On behalf of _____ I break 'suicide' and 'attempted suicide' mind control programming at every brainwave state:

Beta, alpha, theta, delta, gamma, epsilon, phi, omega, zeta and rho – under the blood of Jesus

In the name of Jesus Christ, I break the power of the instructions to commit suicide spoken over _____ under the blood of Jesus.

I break the power of all programming to specifically take _____'s life by _____ (taking pills, jumping, cutting, etc.) under the blood of Jesus.

I break all back-ups, all originals, replicators, multipliers, copies, tapes, clones and duos under the blood of Jesus.

I break all reset buttons and delete all reprogramming codes under the blood of Jesus.
- 4) Pray the following for deliverance:

On behalf of _____ I confess, renounce and repent for participating with the spirits of the 'death wish', 'suicide', 'attempted suicide' and 'death'.

I break all covenants with death (Isaiah 28:15 – 18) entered into by any part of _____'s heart, under the blood of Jesus.

I break all covenants with death (Isaiah 28:15 – 18) entered into by any member of ____'s ancestral line.

I break all vows of death, including blood oaths, entered into by any part of _____'s heart and any member of _____'s ancestral line, under the blood of Jesus.

I bind every demon that has lost legal ground, heard its name or been renounced, cast it off of _____ and his/her generational line.

I cast them to the feet of Jesus and forbid them to return in Jesus Name.
- 5) Inner Healing Steps
 - a. When the survivor is present to receive ministry, call all of the alters forward that were instructed to suicide. Bring them to Jesus. Have them release all of their pain and trauma memories to Him. (Imagining putting the memory on a DVD and handing the DVD to Jesus works well.)
 - b. Ask Jesus to heal the alter identities and then integrate them.
