

Breaking an Illuminati Conception Ritual

The Most High God is a God of love, mercy, and justice, who sent His Son on a mission to destroy the works of the devil (1 John 3:8), to bind up the broken-hearted, and to set the captives free (Isa. 61:1). Now that Jesus has returned to the heavenly realm where He sits at the Father's right hand, the Father invites us to come boldly before His throne of grace to receive mercy and find grace in our time of need (Heb. 4:16).

God gave man a free will and highly respects the free will decisions that any person makes. For this reason He lets stand the free will decisions of our parents, grandparents, and past generations that were made concerning our lives—until we stand before Him to reject those decisions and to declare our own free will concerning them. The Most High God honors a person's own free will decisions above those of any other person in his generational line. Experience has borne out that the free will decisions of the Original Self or one of the pain-buffering primaries (Denial, Buffer, Pain) trump the will of all other identities, including the cult-loyal primaries.

The process of doing prenatal healing has revealed that another principle in God's jurisprudence is that breaking a spiritual bondage at its root enables all spiritual effects and entities that gained access to a person's life from that point forward because of that particular bondage to be removed at once.¹ The following is a suggested procedure for setting a person free from involvement with the Illuminati New World Order agenda by going to its very roots at the person's conception.² It should be done with the Original Self or the Primary Presenter (as long as this is one of the Pain-Buffering Primaries³).

This renunciation actually goes further than breaking the Illuminati conception ritual and addresses disconnection from the Beast Computer as well. It needs to be followed by another renunciation entitled "Disconnecting from the Illuminati Council." We also highly recommend any Illuminati-level ritual abuse survivor to do the renunciations disconnecting them from the Merovingian bloodlines, the European Royalty bloodlines and the Counterfeit River of Life System. All of these are available from RCM.

¹ The first time I boldly requested this in renouncing the Illuminati conception ritual, I had no idea whether such a request would be granted and was totally delighted when the survivor reported later that his whole cult system was freed of many evil attachments, including those from which they never thought they could ever be freed.

² Thus far we have heard or no negative repercussions being experienced by anyone doing this renunciation, but more field trial is necessary to confirm its efficacy and safety. ***It has not yet been tried with survivors who are obviously still involved in cult activities. Use at your own discretion and risk.***

1. Ask God for the privilege to come before His throne in His heavenly court to make a legal appeal on behalf of the person.
2. Do generational repentance for the iniquities associated with the Illuminati.

In order to do this, ask the person the following questions:

- a. Are you willing to stand in the gap on behalf of your generational lines on your mother's side and your father's side and acknowledge, renounce, and confess on their behalf the iniquities of:
 - 1) Participating in Satan's Counterfeit Religious System that began with his victory at the Tree of the Knowledge of Good and Evil and developed into the Babylonian Mystery Religions and then the Illuminati with its New World Order Agenda?⁴
 - 2) Defying the Most High God and His plan for mankind and competing with Him for control of the world?
 - 3) Seeking divine illumination through occult means?
 - 4) Seeking to become gods?
 - 5) Twisting of good and evil?
 - 6) Glorifying control, superiority, and elitism and debasing the inferior masses?
 - 7) Disregarding the sanctity of human life, engaging in human sacrifices and torture for personal gain and the agenda of darkness?
 - 8) Engaging in covert control over other people in any way, including via programming, ungodly satellite systems, computer systems, the geodesic network of light, manipulated life forms and structures, artificial intelligence, and all forms of implants and other devices?
 - 9) Participating in the design and operation of the Beast computer and the Beast computer network to exert power and control over people for ungodly purposes?
- b. Are you willing to forgive them for bringing these ungodly inheritances and their consequences into your life by putting responsibility for bringing justice into God's hands?
- c. Are you willing to renounce and to repent of every way that any part of you has knowingly or unknowingly, willingly or unwillingly, participated in these iniquities?

Then do the following:

- a. In light of these confessions, ask God to break these generational iniquities and their curses from the person's life and from his/her descendants for a thousand years going forward through the shed blood of Jesus Christ on the Cross of Calvary.
- b. Ask God to remove all evil beings from the lowest demonic level to the highest cosmic level;⁵ including all ungodly powers, forces, energies, lights, and elemental spirits; as well as all Nephilim spirits, animal spirits, hybrid spirits, and familial spirits that gained access to the person because of these generational inheritances.

⁴ A more complete renunciation to gain freedom from Satan's Counterfeit Religious System is found in Section One of this manual and on our website, www.rcm-usa.org, under Renunciations.

⁵ We believe that demons are the "worker bees" of Satan's kingdom and are usually under the authority of higher-level "strongmen," which we have come to call "cosmic beings."

- c. Ask God to pass judgment on all of these beings, to dispatch them to the destination of His choice, to fill the evacuated places with His true Holy Spirit, and to seal with the blood of the Lord Jesus Christ all portals and orifices that they used for access into the person.
 - d. Ask God to release any generational blessings that had been previously blocked because of this generational inheritance.
3. Have the person express his/her free will decisions by asking the following questions:
- a. In regard to his/her conception
 - 1) Do you choose to accept or to reject the Illuminati conception ritual that began your life or that of any previous ancestor as well as all subsequent Illuminati rituals that you participated in or that were performed to have an effect on you?
 - 2) Do you desire the Most High God to nullify every part of these rituals, including the power of any sacrifices made?
 - 3) Do you renounce and reject the entrance of the blood, semen, and DNA of Lucifer's bloodline⁶ and that of any or all of the 12 Illuminati houses and of any cosmic being that participated in your conception or that of any of your ancestors?
 - 4) Do you desire to be disconnected from the cosmic beings involved in or presiding over your conception ritual or that of any of your ancestors?
 - 5) Do you desire the Most High God to break all triads or quadriads formed as a result of your Illuminati Conception Ritual and/or as the result of any ancestral Illuminati covenant that affected you?
 - 6) Do you renounce, reject, and desire to be disconnected from the Spirit of the Illuminati and the entire hierarchy of evil spiritual entities connected to the Illuminati and the New World Order agenda from the lowest demonic level to the highest cosmic level, including all fallen sons of God, ungodly powers, forces, energies, lights, elemental spirits, Nephilim spirits, Raphaim spirits, animal spirits, and hybrid spirits that gained access to you because of these rituals and your connection to the Illuminati?
 - 7) Do you desire to have the Most High God nullify all incantations, curses, ungodly blessings, or other words spoken over your conception to apply to you?
 - 8) Do you reject and desire God to annul any vows that were made by your mother, your father, and/or any other ancestors that would adversely affect your life?
 - 9) Do you desire the Most High God to remove all effects that you have experienced throughout your life as a result of these rituals?
 - 10) Do you desire to have the Most High God release from captivity and return to a safe place, cleansed by the blood of Jesus Christ, all parts of you that were taken into captivity in spiritual dimensions or vortexes or black holes or any other place because of these rituals?

⁶We usually don't think of Lucifer having blood, or semen, but survivors have repeatedly described what they perceive to be Lucifer's blood with similar characteristics each time. He was also a son of God and if they could procreate with women, so could he. The Merovingian bloodline seems to be considered Lucifer's bloodline.

- 11) Do you desire the Most High God to cancel the announcement of your conception to the spiritual realm?
- b. In regard to his/her connection to the Illuminati
- 1) Do you renounce all connection to all levels of the Illuminati, all levels of its agenda, all levels of its councils extending to the very throne of Lucifer, all levels of spiritual entities connected to them, including the Spirit of the Illuminati, and desire to be relieved of all obligations to them?
 - 2) Do you renounce all connection to Lucifer and Lucifera, the Queen of Heaven, and to the black and white powers connected to them as well as to the counterfeit sun, moon, and morning star—and to the entire hierarchy of ungodly entities connected to them?
 - 3) Do you renounce and desire to be disconnected from Lucifer's Kingdom, including its central shaft, all black, white, and heavenly power, all the multi-colored pyramids and their eyes, and from the counterfeit trinity, all the fallen sons of God, Nephilim spirits, and cosmic beings connected to it along with all of their underlings?
 - 4) Do you renounce all roles that you played in the New World Order agenda or any other aspect of your connection with the Illuminati?
 - 5) Do you desire the Most High God to declare that you are completely relieved from all assignments and obligations under the Illuminati, the New World Order, and the Beast Computer network?
 - 6) Do you desire that all implants, inserted manipulated life forms, and manipulated molecular structures that equipped you for those roles be removed?
- c. In regard to the Beast Computer network
- 1) Do you renounce the Beast, his power, and all of his cohorts and underlings and desire to be disconnected completely from them?
 - 2) Do you desire every part of you as well as all manipulated life forms and manipulated molecular structures inserted into you because of your connection to the Illuminati and the New World Order Agenda to be disconnected from the Beast, the Beast power, the Beast computer, and the Beast computer network as well as from all handlers, including the Master of Ceremonies and the operators of the Beast Computer and its sub-stations?
 - 3) If there are automatic curses, programs, or punishments that are to be activated or alarms sounded if disconnection from the Beast Computer is attempted, do you desire the Most High God to intervene and to destroy or completely nullify or inactivate them?
 - 4) Do you desire to have all internal computers, programs, and connectors to the Beast computer network removed from every part of you?
 - 5) Do you desire the Most High God to dismiss the Master of Ceremonies from your life as well as any familial spirit operating in conjunction with him or the Beast Computer?

- 6) Do you desire all information concerning you that is stored anywhere on the Beast computer or on any subsidiary computer or on any hard copies from them or any kind of oral records to be removed in a way that avoids detection and retaliation?
 - 7) Do you desire the Most High God to remove safely and completely all electromagnetic devices in, on, around, attached, or connected in any way to you, including all switches, breakers, circuits, and receptors, that have allowed power from the Beast, the Master of Ceremonies, the Beast Computer, or any other ungodly power system to flow into and through you?
- d. In regard to follow-up issues
- 1) Do you desire the Most High God to cancel all ungodly assignments that other people or entities within the Illuminati, the New World Order, and the Beast Computer Network have concerning you?
 - 2) Do you desire the Most High God to remove from you all familial spirits associated with you because of your connection to the Illuminati and the New World Order Agenda and to break all triads involved?
 - 3) Do you desire to be disconnected from all tracking and surveillance mechanisms and to have all tracking devices removed from you?
 - 4) Do you desire to be electronically hidden so that you cannot be found again by the Beast Computer network?
 - 5) Do you desire the Most High God to remove your name and aliases and those of your descendants from all ungodly registries wherever they are found in a way that is not detected and does not invoke retribution?
 - 6) Do you desire to be placed under the protective jurisdiction of the army of the Lord?
- e. Do you desire to break all ungodly relationship bonds with:
- 1) Every person, familial spirit, and cosmic being involved in the Illuminati conception ritual that began your life or the life of any of our ancestors, including with Lucifer and the representatives of the 12 Illuminati houses?
 - 2) All sacrifices that may have occurred in these rituals or in any other Illuminati ritual in which you participated or which was done to have any effect on you?
 - 3) All Illuminati officials up to the highest Illuminati council and all familial spirits of past council members?
 - 4) All handlers of any kind connected to you or to manipulated life forms or manipulated molecular structures that were in you, including the Master of Ceremonies and all operators of the Beast Computer and its sub-stations?

 - 6) All fallen angels and cosmic or other ungodly beings connected to you in any other triads or quadriads?
 - 7) Any people or organisms contributing life force to any manipulated life forms, inserts, or Beast Computer components in you, on you, or around you?

4. Ask God in regard to the requests you are going to ask of Him to filter out all inappropriate requests and to apply only those that are safe to do at this time and in the order that would be safe.
5. Ask God, on the basis of the person's free will expressions and through the power of the name and the blood of the risen Lord Jesus Christ, to:
 - a. Declare in His heavenly court that the power and authority of the Illuminati conception ritual that began _____'s life or that of any previous ancestors as well as all subsequent Illuminati rituals that any part of him/her participated in or that were performed to have an effect on him/her are null and void and all effects on _____'s body, soul, spirit, and personal domain down to the cellular and intracellular and DNA and RNA and epigenetic marker level are now removed from him/her and from his/her descendants going forward forever, including the power and effects of the blood and semen and/or DNA of the 12 Illuminati houses, Lucifer, and any cosmic being involved;
