

## Suggested Steps to Break 'Suicide' Mind Control Programming in Prayer

- 1) Obtain verbal authority to pray on behalf of the person receiving prayer, in the event the prayer recipient is hindered by the demonic from speaking. This is only during the ministry session and can be revoked by the ministry recipient at any time.
- 2) Do a good set-up prayer for engaging in spiritual warfare.
- 3) To break programming:  
Have the prayer recipient pray: I stand in the gap on behalf of me, every part of my heart, and all of my ancestors, going back to Adam and Eve on both sides of my family line.  
I break 'suicide' and 'attempted suicide' mind control programming at every brainwave state: Beta, alpha, theta, delta, gamma, epsilon, phi, omega, zeta and rho – under the blood of Jesus  
In the name of Jesus Christ, I break the power of the instructions to commit suicide under the blood of Jesus.  
  
I break the power of all programming to specifically take my life by \_\_\_\_\_ (taking pills, jumping, driving, cutting, etc.) under the blood of Jesus.  
I break all back-ups, all originals, replicators, multipliers, copies, tapes, clones and duos under the blood of Jesus.  
I break all reset buttons and delete all reprogramming codes under the blood of Jesus.
- 4) Pray the following for deliverance:  
I confess, renounce and repent for participating with the spirits of the 'death wish', 'suicide', 'attempted suicide' and 'death'.  
I break all covenants with death (Isaiah 28:15 – 18) entered into by any part of my heart, or any member of my ancestral line, under the blood of Jesus. I break all vows of death, including blood oaths, entered into by any part of my heart and any member of my ancestral line, under the blood of Jesus.  
I bind every demon that has lost legal ground, heard its name or been renounced. I command them out in Jesus name. I command every devil to leave me and my generational line entirely. I cast them to the feet of Jesus and forbid them to return in Jesus Name.
- 5) Inner Healing Steps
  - a. Call all of the alters forward that were instructed to suicide. Bring them to Jesus. Have them release all of their pain and trauma memories to Him. (Imagine putting the memory on a DVD and then handing the DVD to Jesus works well.)
  - b. Ask Jesus to heal the alter identities and then integrate them.
