

Artificial Intelligence and Transhumanism

Artificial intelligence (AI) refers to apparently intelligent behavior performed by machines, such as the cognitive functions of learning and problem solving which the human brain is able to perform or the ability to perceive the environment and take actions that maximize its chance of success at some goal.¹ This includes the whole world of the robotic.

“Transhumanism (abbreviated as H+ or h+) is an international intellectual movement that aims to transform the human condition by developing and making widely available sophisticated technologies to greatly enhance human intellect and physiology.”² The movement is toward creating “human cyborgs where human-machine integration is realized and enhanced biology is recombined to include living brains that are cybernetic, machine readable, and interfaced with artificial neural networks where transhumans with amplified intelligence become so completely superior to their biological counterparts (normal humans) as to be incomprehensible— ultimately “posthuman.”³

In the occult realm these experimentations are being carried out virtually without abandon or ethical restriction and in conjunction with the further enhancements of the supernatural abilities and intelligence of the fallen sons of God. It is the greatly advanced continuation of the Nazi’s desire to create a super-race of people. While some of the agenda is for the secret control and manipulation of mankind, other goals are to create a hidden army of super-humans and manipulated life forms for end-time battle and to create humans who can survive the possible destruction of the earth and live on other planets.

The creation of manipulated life forms of a hybrid or robotic nature, often incorporating stolen human life force, also gives the Luciferian agenda entities to work with that are not subject to spiritual warfare commands given in the name of the Lord Jesus Christ. In Lucifer’s Kingdom the artificial intelligence projects as well as the ungodly satellite system seemingly operate under the jurisdiction of the Red Dragon.

God has indicated that the order of the following steps of this renunciation are important, especially the timing of removing the red core. He has further indicated that the person should be disconnected from all evil and ungodly entities⁴ before removing any structures. Please note that structures are of a manipulated molecular nature, perhaps involving nanotechnology, that can materialize and dematerialize for insertion into people.

Be sure to do the “Life Force Manipulation” renunciation before this one.

Always do the Binding and Separating Prayer before doing any renunciation.

⁴ Evil entities are the evil spiritual entities of God’s original creation while ungodly entities are hybrids and those of human creation.

A. Generational repentance

1. Ask the individual:
 - a. Are you willing to stand in the gap on behalf of your ancestral lines on your mother's and your father's sides to acknowledge, renounce, and confess on their behalf the iniquities of:
 - 1) Defiling God's creation and his strict orders for his creations to reproduce after their kind by producing hybrid organisms and other manipulated life forms to use in connection with artificial intelligence projects in mankind;
 - 2) Exalting human creativity above the creative work of the most High God;
 - 3) Seeking to be god;
 - 4) Seeking to create a super-race of humanity enhanced by artificial intelligence and other life forms;
 - 5) Using the spiritual realm of darkness to enhance human abilities;
 - 6) Violating other people's personhood by interfering with the operation of their own free will through the insertion of artificial intelligence devices and manipulated life forms into them without their knowledge or consent and against the will of God;
 - 7) Engaging in Lucifer's agenda to experiment with people and to exert control over them through both internal and external artificial intelligence devices against God's will and often against the knowledge of the people involved;
 - 8) Offering children or future generations to be used in such schemes in exchange for money, material wealth, spiritual power, recognition, or any other means of gain;
 - 9) Involvement with the Dragon and an ungodly satellite system in carrying out such schemes;
 - 10) Engaging in covenants with death to be able to live on as familial spirits to supervise or to engage in these projects after death;
 - 11) Engaging in lottery games to designate people for ungodly experiments;
 - 12) The idolatry of mammon, power, control, and prestige exhibited in these activities;
 - 13) Using the eye gate to influence and control people, including to mesmerize or to paralyze their mental function, to access their brains and artificial intelligence mechanisms attached to them, to transfer ungodly messages or evil beings into them, or for any other ungodly purposes;
 - 14) Controlling people with an evil eye.
 - b. Are you willing to forgive your ancestors for bringing these generational inheritances and their consequences into your life and to put all responsibility for bringing judgment into God's hands?
 - c. Are you willing to renounce and to repent of any and every way that any part of you has knowingly or unknowingly, willingly or unwillingly participated in these iniquities yourself? (Be specific about the various ways God brings to mind that the person may have done this.)

2. Pray:

Most High God, I ask You on the basis of what _____ has stated and through the shed blood of Jesus Christ to break these generational inheritances and their curses from his/her life and from the lives of his/her descendants going forward for a thousand generations.

I ask You to remove from them all evil and ungodly entities and powers, forces, energies, lights, life forces, mists, and manipulated life forms that gained access because of this generational inheritance, to pass judgment on them, to dispatch them to the destination of your choosing as appropriate. I ask You to seal with the blood of the Lord Jesus Christ all portals and orifices they used for access, and to fill all evacuated places with Your true Holy Spirit.

As You remove these generational curses from them, will You please release any of Your generational blessings intended for them that were blocked because of these generational iniquities? Thank you, Most High God.

B. Breaking any generational covenant

For the next two sections you may ask the person the questions and then pray the prayer listed afterwards, or you may ask God to enact each piece immediately following the person's positive agreement with it.⁵ If you are doing this process on your own, you can turn the questions into personal declarations and requests to God.

1. Ask the following questions:

- a. Do you reject all covenants, bargains, barter, or bequests that any of your parents, grandparents, or any other ancestors, relatives, or step-relatives made with Lucifer/Satan or any being serving under him to commit you for use in artificial intelligence or enhancement projects in Lucifer's Kingdom?
- b. Do you desire the Most High God to nullify and to redeem you from those covenants, bargains, barter, or bequests through the shed blood of the Lord Jesus Christ?
- c. Do you desire Him to cancel the benefits gained by the ancestor?
- d. Do you accept and desire to follow fully the destiny that God designed and placed within you when He created you and released you into life?
- e. If the covenant, bargain, barter, or bequest resulted in your being connected into a triad or quadriad with Lucifer, the Dragon, the Beast, the False Prophet, or any other evil or ungodly being and the spirit of the ancestor making the transaction, do you desire the Most High God to break that triad or quadriad, releasing you from all connection to the other beings?
- f. Do you desire to be completely disconnected from the entire hierarchy of evil spiritual beings and ungodly entities that gained access to you and your progeny because of the ancestral covenants, bargains, barter, or bequests that were made, including all powers, forces, energies, lights, life forces, and mists?
- g. If any dissociated part of you or any part of your created-by-God life force was taken into captivity in another dimension, realm, or void between them because of these

⁵ This latter approach is recommended if the person is being highly triggered or experiencing significant spiritual interference and resistance.

- covenants, bargains, barter, or bequests, do you want them to be returned to you safely, cleansed by the blood of Jesus Christ of all entities and all attachments, inserts, or connections of any kind removed?
- h. When your parts are safely returned from these places, do you desire to be disconnected from all spiritual conduits connecting you to those dimensions and realms and for the openings to them to be closed and sealed with the blood of the Jesus Christ?
 - i. Do you reject all allegiance to the counterfeit sun, moon, stars, and other spiritual authorities ruling over these places and desire to be disconnected from the entire hierarchy of spiritual and ungodly entities connected to them?
 - j. Do you desire the Most High God to nullify any curses set to be released if you should break this ancestral covenant concerning your life?
2. Ask the Most High God to honor these requests and in the name of the Lord Jesus Christ to:
- a. Nullify all covenants, bargains, barter, or bequests that any of _____'s parents, grandparents, or any other ancestors, relatives, or step-relatives made with Lucifer/Satan or any being serving under him to commit _____ for use in artificial intelligence or enhancement projects in Lucifer's Kingdom;
 - b. Break any triad or quadriad that was made as a result of the covenant, bargain, barter, or bequest, releasing _____ from all connection to Lucifer, the Dragon, the Beast, the False Prophet, or any other cosmic being included in it and the spirit of the ancestor making the transaction;
 - c. Disconnect _____ from the entire hierarchy of evil spiritual beings and ungodly entities that gained access to him/her and his/her descendants because of the ancestral covenants, bargains, barter, or bequests that were made, including all powers, forces, energies, lights, life forces, and mists;
 - d. Return to _____; completely cleansed by the blood of Jesus Christ and with all entities, attachments, inserts, and connections of any kind removed; any dissociated part of him/her or any part of his/her created-by-God life force was taken into captivity in another dimension or realm or void between them because of these covenants, bargains, barter, or bequests;
 - e. Disconnect _____ from all spiritual conduits connecting him/her to any of these places once all parts of him/her are returned from them, close the openings to them, and seal them with the blood of the Lord Jesus Christ;
 - f. Disconnect _____ from the counterfeit sun, moon, stars, and other spiritual authorities ruling over these places and the entire hierarchy of spiritual entities connected to them;
 - g. Remove all effects of being connected to these projects, structures, and entities from _____'s body, soul, spirit, DNA, RNA, mitochondria, epigenetic markers, and the original image of God in which he/she was created;
 - h. Pass judgment on all evil spiritual beings and ungodly entities removed from _____, dispatch them to the destinations of His choice as appropriate, fill the evacuated places in _____ with His true Holy Spirit, and close and seal the portals they used for access with the blood of the Lord Jesus Christ;

- i. Nullify any curses set to be released _____ should break this ancestral covenant, bargain, barter, or bequest concerning his/her life;
- j. Apply everything that was stated to _____'s generational line going forward;
- k. Seal the work that was done and declare that no retribution or retaliation whatsoever is permitted.
