

Rose Prayers Patty Graham

Lockdown

Father,

You are Creator of the Universe, Mighty God, Omnipotent, Omniscient, Omnipresent, Holy God. I Praise and Worship You alone, Jesus Christ who came in the flesh as Your son and My Lord and Savior!

Jesus Christ, Who came in the Flesh, Yeshua Hamashiach, I ask You to take Your place as Lord and King of every part of my heart, in every time, realm and dimension and every age. I repent and renounce every act, curse, prayer, or agreement, I or any handler, programmer, family or part of me has made with satan, or any of his kingdom.

Please take Your place on the throne of my life. I sequester in a sight and sound barrier and cage every **evil entity** (mention names if you know them) NOW under angelic guard, in a faraday cage of Your Heavenly gold, where they cannot see, hear, speak, or act against any part of me or anyone else in any time realm or dimension.

I ask you to sequester any **part** of me trying to sit on that throne. Please sequester any part who would negate your rule in my life. Sequester all parts who would desire to fly out, or be pulled out into other times, realms or dimensions, especially while I am asleep or unaware.

I declare they can hear every prayer, word and decree so they know Jesus Christ is Lord, But I forbid them to send any words, spirits or curses to negate Your Lordship in my life, or to activate, or trigger, harass or harm any part of me or others.

Please lockdown my complete system under Your safeguard and Rule at every access point, gate, door or opening in any time, realm, or dimension. Please put Your Holy Angelic protection surrounding every access point and part, so no evil or malevolent entities can torment, torture or access any part of me, body, soul, mind or spirit. In the name of Yeshua, I declare there is only one way in and one way out of my system, through the throne of Jesus Christ. No one, part or entity is allowed to come in or out except through the throne of Jesus Christ Who came in the Flesh, Yeshua HaMashiach!

In Yeshua's name! Thank You Father. I Praise You and thank You for sending Your Spirit to lead us all into truth. Please continue Spirit of Truth to reveal Your Truth to me, every part of me and to all of my enemies!!

Faraday cage of protection

Father, You are Creator of the Universe, Mighty God, Omnipotent, Omniscient, Omnipresent, Holy God. I Praise and Worship You alone, Jesus Christ who came in the flesh as Your son and My Lord and Savior!

I ask You now to surround me, my family, my business, my home, all my technological devices, my car, my office (whatever applies) in a faraday cage of Your heavenly gold and the blood of Jesus Christ. I declare it is a sight and sound barrier against satan, his agents, or any of his kingdom that cannot be penetrated in any time, realm, or dimension.

I ask You to send Your Holy Angels to enforce this barrier from interlopers at every gate, door or access point. Please show me if I have given the enemy access and tell me how to repent, renounce and close all doors to keep it secured in Jesus name. I thank You that I hear Your voice and another voice I will not follow. I silence every other voice in the name of Yeshua!

Thank You Father, for Your Holy electric barrier being activated against, human and non-human entities that would try to push past that barrier! Thank You Father. I Praise You and thank You for sending Your Spirit to lead us all into truth. Please continue Spirit of Truth to reveal Your Truth to Me, every part of me and all of my enemies!! I praise You for You are good and Your Mercy endures forever!

Caging those attacking you

Father,

Almighty God. Nothing is impossible with You. Yeshua My King I acknowledge You in all My ways!

I ask You to now, Jehovah Sabbaoth, captain of the Hosts of Heaven to put a faraday cage, sight and sound barrier of Your Heavenly gold, glory, fire and blood, to cage and lockdown the person, group or persons, trying to attack, spy, watch, hear, astral project, send curses, or demons or any other evil activity against me, my family, ministry, business, etc.

Please send Your Holy Heavenly angels to enforce that barrier. Please show me any place where I have given access to the enemy for them to trespass against me. Please reveal how and what I need to repent and renounce to close that access to secure it against the attacks of the enemy. I forgive and bless every human or any of their parts who are being used by the enemy, and declare every curse is now turned to a blessing! Thank You Father. I Praise You and thank You for sending Your Spirit to lead us all into truth. Please continue Spirit of Truth to reveal Your Truth to Me, every part of me and all of my enemies!!
