

MOM

*You brought me into this world
Not caring if I was a boy or a girl
You gave me love and raised me right
Not caring who I grew to be, you keep me in God's light
You were always there to give a hand
Pick us up when we couldn't stand
You kept us healthy and made us wise
Mom, you're an angel, an angel in disguise*

*Mom, I just got to let you know
I know your time has come
But I can't stand to let you go
Mom, I hope you know I love you
Sometimes it's hard to show
So, now's the time to tell you
'Cause I've got to let you know*

*You bend over backwards to help us in our need
Not wanting in return, out of love, and not for greed
You gave us love and nothing could stand a chance
Against your love and strong resilience
You never cared what other people would say
Cause you always loved your babies, You'd love them anyway
Life is tough and sometimes deals us losing hands
But, Mom was always there, Mom always seemed to understand*

*Mom, I've just got to let you know
I know your time has come
It's so hard to let you go
Mom, I hope you know I love you
Sometimes it's hard to show
So, now's the time to tell you
'Cause I've got to let you know*
