Studying with us

Response Employment and Training provides this 2023 Course Guide to assist you to identify course(s) that are of interest to you.

Whilst every endeavor has been taken to provide accurate and current details at the time of publication, sometimes changes are necessary.

We provide training that is influenced by and responsive to employer and industry engagement, individual client needs, current and emerging sector trends and workplace requirements.

Our focus is on providing courses that result in highly skilled students who are able to compete effectively for the jobs and job roles they are seeking, and to skill and upskill existing workers so they can perform the workplace tasks to the expected workplace standards.

After reading this Guide and the *Student Handbook 2023* and you have decided on the course you wish to complete, please submit an *Expression of Interest* form located on our website www.responsetraining.com.au. We will then be in touch with you to confirm the details.

We look forward to sharing your learning journey with us. If you have any queries please email admin@responsetraining.com.au or phone : 0447 736 313.

A little about our training

DELIVERY LOCATION(S)

Depending on numbers our courses can be delivered in Darwin, remote and regional NT locations.

DELIVERY METHODS

Our courses will use a mix of delivery methods suited to the student. They may include face-to-face workshops in classrooms or in the workplace. We also provide virtual classrooms utilising Zoom/Teams. Some classes may require home based study and research.

Our delivery style is interactive, uses lots of resources and includes a range of activities to help you learn.

ASSESSMENT

The most common assessment methods used to assess your learning include written and verbal questioning, short quizzes, observations of tasks performed in the workplace or in a simulated workplace environment. Where assessment is undertaken in the workplace a supervisor may prepare a third-party report on your performance on the job. Group projects may be included. Supplementary evidence such as logbooks and reports/assignments may be used.

Each course is designed around best practice assessment based on using the most suitable methods for the individual.

AWARDS

On successful completion of the units of competency for each qualification you will be issued a Certificate and a Transcript of Results.

If you are unable to successfully complete all units students will be awarded a Statement of Attainment for those units completed.

All fees (if applicable) must be paid before any award is issued.
