And if required, we will be able to gain support from other transport operators who we have been working closely and with the exception that they are at least at par with our standards.

Bako National Park (0845hrs – 1445hrs | Daytrip)

This small peninsular, accessible only by boat, is home to seven distinct ecosystems, giving rise to a remarkable diversity of animals and plant life. Bako's most famous residents are the bizarre proboscis monkeys. It is also home to the silvered langurs (leaf monkey), long-tailed macaque monkeys, bearded pigs, flying lemurs, monitor lizards as well as many different bird species.

Fascinating plant life includes the mangroves, a system unto itself. There are also the strangling fig trees, carnivorous pitcher plants and symbiotic insect-plant relationships. Unique geological features mark the coastline, whilst well-marked trails lead to rugged jungle-covered hilltops and secluded beaches.

Bau Fairy and Wind Cave (0830hrs – 1430hrs| Daytrip)

The town of Bau, 22km from Kuching is famed as a former gold mining centre and as the primary scene of the Chinese Rebellion of 1857. Nowadays its most popular attractions are its two unusual limestone caves. The Fairy Cave is so-called because of a stalagmite structure at its entrance, which is said to resemble Kuan Yin, the Chinese Goddess of Mercy. The Wind Cave is named for the constant cooling breeze, which blows through it.

Duration: *Approx. 6 hours*

Mangrove and Dolphin Watching Cruise (0845hrs – 1200hrs | Half-day)

This trip of about 3 hours explores the many branches of the Santubong and Salak River Delta systems as they join the South China Sea. Enjoy a close view of the heavily silted mangrove Swamp which is a safe haven to the myriad creatures like the reptiles, mud skippers, crabs, shell fish, monkeys, etc. The mangrove swamp sustains many different species of trees. The main species are of course the black and red mangrove, locally known as the 'Bako'. They are used in the construction industry for piling and also as charcoal for cooking and other usage.

Often mistaken as a wasteland, the tidal swamps in which mangrove thrive; enjoy a symbiotic relationship with prawns, fish and other coastal organisms. The Irrawaddy, or snubfin dolphin, inhabits rivers, estuaries and shallow coastal areas. The Santubong area is one of the best places in Sarawak to view this unusual looking marine mammal.

The dolphins are often seen swimming and diving around small fishing boats in the estuary. Occasionally they are seen playing in the open water. Visitors will need a keen eye to spot the dolphins at first, but after a short wait they can often be seen surfacing all around the boat. Return to the Boat Club for transfer to your hotel.

Duration: Approx. 3 hours

Inclusive of: Boat services, English speaking guide, Return transfers to and from city hotels

Fitness level: Easy (Nature & Wildlife)

Note: Wildlife sightings cannot be guaranteed, although we usually enjoy a high success rate

Minimum: 2 adults

Rate: MYR 145.00 per person

Evening Santubong Wildlife Cruise (1600hrs – 1930hrs | Half-day)

Proud winner of Hornbill Tourism Gold Awards (Best Tour Product)

This award winning tour takes you around the rivers of the Santubong Peninsular, offering you the chance of seeing some of Sarawak's fascinating wildlife. The cruise starts at Sarawak Boat Club. From there your boat cruises to the mouth of the Santubong River, where Irrawaddy dolphins are often spotted. Your boat then roams the mangrove-lined rivers looking for wildlife. As the light starts to fade, we go in search of the rare proboscis monkey. Small groups are often seen in the treetops at the water edge, settling down for the night.

As dusk arrives we search for fireflies and crocodiles. Crocodiles are often seen on the mud banks and brightly shining crocodile eyes can be spotted when a torch light is passed over the river. After searching for crocodiles your boat proceeds further up river where fireflies gather at night.

Watch the fireflies move around the branches of the mangroves, momentarily lighting up the night sky. After enjoying a firefly light show you return to the boat club.

Duration: Approx. 3.5 hours

Inclusive of: Boat services, English speaking guide, Return transfers to and from city hotels

Fitness level: Easy (Nature & Wildlife)

Note: Wildlife sightings cannot be guaranteed, although we usually enjoy a high success rate. Wildlife commonly seen on this tour includes proboscis monkeys, estuarine crocodiles, macaque monkeys, fireflies, monitor lizards, silver-leaf monkeys. Irrawaddy dolphins and a range of bird life like White Belly Eagle, White Egret, Seagull, Kingfisher etc.. Cruises do not operate during rainy weather.
