

TA101: 2 DAY INTRO TO TA TRANSACTIONAL PSYCHOANALYSIS

This two day course is internationally recognised, and provides you with an introduction to Transactional Analysis from a psychoanalytical lens.

Why Choose Us?

► Small groups

Within a small group, learn about TA and psychoanalysis, from script beginnings, personality development and coping strategies. E-book and certificate of completion provided.

► Experienced and knowledgeable trainers

Our trainers know their stuff and have years of TA experience. They will bring theory to life with examples from practice and life experience.

► Affordable

As a not for profit CIC, we make training accessible and affordable. Our TA101 course is £100 for two days. Non-refundable deposit of £50 required upon booking.
