WHO WE ARE

CICADA Qld Inc. is an independent, not-for-profit organisation run by volunteers, supporting people with cochlear implants and hearing loss, for over 30 years.

Vision Statement

To ensure all Queenslanders, of all ages affected by hearing loss or considering or using Cochlear implants, and their families are supported and informed.

Mission Statement

To provide education, rehabilitation support and opportunities for social engagement in a community to all people with hearing loss or those considering or using cochlear implants, including their friends and family.

WHAT WE DO

Share

- Support and assistance for cochlear implant recipients and anyone affected by hearing loss.
- Independent information on all hearing technology options.
- CICADA Chorus magazine and regular newsletters.

Listen

- Cochlear implant rehabilitation seminars.
- Listening resources for all brands of cochlear implants.
- Education and advocacy on hearing loss issues.

Connect

- Regular social meet-ups with a CICADA Qld Inc. group in your local area.
- Morning teas and larger events.
- Virtual chats - connect with us from any location.

You are not alone - meet others on a similar journey
