

HEARING SOLUTIONS SUMMIT

Sunshine Coast

This event is designed for both audiologists and their clients to explore the latest advancements in hearing implants. A unique opportunity to learn about the different types of hearing implants, the surgical process, rehabilitation, and ongoing care. Hear from leading experts in the field, engage in discussions, and ask questions in a supportive environment. Whether you are a professional seeking to enhance your expertise or a client considering a hearing implant, this event provides the essential information you need to make informed decisions together.

If you already have a hearing implant and are considering a second, this is an opportunity to meet your implant company and consider your next step.
