What is supplied when you sign up as a Cartridge World Agent?

- An exclusive agreement for the operating rights in the agreed upon area
- Signage and display material
- The full support of a national brand to market and promote the Cartridge World brand of products and services in your area, in conjunction with your current business (dual marketing)
- Additional customers are drawn to your business
- Potential to earn additional income from the commission paid on all sales
- All stock on consignment
- Cartridge World P.O.S. Software
- Training for your staff
- A direct line for support and training

What are you expected to provide as a Cartridge World Agent?

- Outside: space for two Cartridge World signs, around 4 metres
- Inside: wall space of 2.5 metres
- Computer hardware to operate the software provided
- Internet access, power access and telephone access
- A minimum of one staff member trained to serve products
- Promote the Cartridge World business within your area
- Meet the minimum turnover requirement
- Maintain a presentable retail area to represent our brand professionally
- Transfer sales revenue when required.
