The Luther Seal

The above seal was designed for Martin Luther in 1530 by John Frederick of Saxony. The elements of the seal represent key aspects of Luther's theology:

- A cross is placed within a heart, symbolizing that faith in the crucified Christ saves us and makes us happy.
- The heart is on a rose, which signifies that faith gives joy, comfort, and peace.
- The rose is set against a blue background, representing the hope for the coming joys of heaven.
- A gold ring encircles the entire seal, indicating that the bliss of heaven is unending.

The five rose petals stand for the five *solas*/only's of the

Reformation:

1. *Sola Gratia* - Grace Alone
2. *Sola Fide* - Faith Alone
3. *Solus Christus* - Christ Alone
4. *Soli Deo Gloria* - Glory of God Alone
5. *Sola Scriptura* - Scripture Alone
