FROM PASTOR JIM VS...

During my heart catheterization, they found a 95% blockage on the artery that supplies blood to the left side of the heart, the big pumper. The doctor called it the "widow maker" because usually its first symptom is death! Since my surgery in December, my walk is back, my balance is back, and my appetite is back. I am overwhelmed that God saved me and in his grace brought me back to life.

FROM KATHY W...

Dave got back to Skytop rehab on January 29 and I'm thankful to report that Dave is improving significantly – stronger, eating better – and generally, his spirits and focus have improved. We hope; we struggle with many emotions; we rejoice in small steps; and we celebrate God's promises! Isaiah 43:1-2

On Tuesday, February 13, we will kick off a free weekly ESL class for adults in the Hispanic community. Weekly classes will meet in our building from 6:30 to 8:00 pm. Sample materials are on display in the fellowship hall.

We are thankful for the assistance of Pat Lurvey and Pam Deese, Literacy Volunteers of Beaufort County, for their training and curriculum. They also plan to help with assessment at the kick-off.

NOTE: New students are always welcome at our ESL classes. We will put new students into a group with similar English skills. **So, please, continue to invite Spanish-speakers to attend our classes.**
