## **Today's Message** **"Hypocrisy and Greed"**

**Luke 12:1-21** - As Christians, we need to guard against hypocrisy and greed. We guard against hypocrisy by living lives of honesty, truth, and confession of sin. We guard against greed by remembering our lives are on loan from God. We are stewards of the stuff we have, not owners.

## **Reflection Questions:**

1. Is there anything in your life that you need to bring into the light of Jesus through confession? Take some time to reflect if there is anyone in your life who you need to make things right with.
2. Since our life is on loan from God, how will this change the way you live? Do you overly value things you should value less? What does generosity look like for you?
