## **UPDATE ON BRANDON**

This week's **great news** – Brandon's scans turned out to be clear of cancer signs!! He still has issues with his gallbladder, but he hasn't had surgery or an ER visit in almost a month. We greatly appreciate your concern for Brandon and Emily over these past several months of crisis. Continue to pray for Brandon's health, appointments and tests. They have been under a lot of stress and worry about his recovery, his work, and his prognosis. But God is faithful in giving them courage, support, and hope in all of it.

Grace and Peace, *Bernie & Ruth*

## GOT QUESTIONS?

The teen Sunday School class has plenty of good questions and will be learning through them over the next weeks. We asked what questions they had about God, faith, the Bible, the church, or the Christian life; here's a sampling of what they came up with:

- ✦ Why should we read Leviticus and Numbers?
- ✦ What is your advice for living a Christian life even through difficult times and when worry and questioning take over?
- ✦ What's the difference between Christian and Catholic?
- ✦ In war does the killing count as murder to God, or is it justified by the war?
- ✦ Is vulgar language as bad as using God's name in vain?
- ✦ Besides the sun, moon, and earth, why did God create the rest of the universe?
- ✦ How should I remember to keep the 10 Commandments?

And here's a stumper:

- ✦ Do babies go to Heaven and if so, how old can you be before that "free pass" is up?

Maybe you'd like to think about these questions, too. What answers do you come up with?
