Financial Report: The deacons have prepared a financial report. Normally this is put in the church mailboxes, but because of the pandemic, it was thought best to email them. Some copies are also be available today. Please contact a deacon if you have any questions.

Children in Worship during Lent: Andrea will be leading our Children in Worship during this season of Lent. The theme will be *Lent: A Journey to the Cross*. The congregation is invited to try to imagine and experience the story of Scripture through their eyes and hopefully rediscover the joy and delight of being Christian and perhaps get a glimpse of the kingdom of heaven.

Men's Bible Study to begin: Starting on Thursday, March 4th, Pastor Garrett will be leading a men's Bible study at the church at 7pm. We will be going through the book of Ephesians and we will meet every week. Please let Pastor Garrett know if you will be participating so he knows how many study guides to purchase.

The Practice of Justice and Mercy:

Wendell Berry wrote, "Rats and roaches live by competition under the laws of supply and demand; it is the privilege of human beings to live under the laws of justice and mercy." Which laws in your community promote justice, mercy, and human flourishing? Which do not?
