Today's Message "Full House"

Luke 11:14-36 - We need to regularly examine ourselves to make sure we are not deceiving ourselves. This is done by filling our lives with the Word both incarnate (Jesus) and written (the Scriptures) and being open to feedback from others in the church. The more we work to remove the plank from our own eye the better we can see ourselves as we truly are.

Reflection Questions:

1. What are you filling your life with that will form you to be a faithful Christian? Is there anything in your life that needs to be removed so that Jesus can remodel?
2. When was the last time you asked someone how they perceived you? If it hasn't been recent, is there someone in your life you could ask that question to? Would you be open to what they had to say?
