Go for the One

Luke 15:1-10: God goes all out to save sinners – from the reckless wanderer to the self-righteous grumbler. Both are lost and both need God’s extravagant love in Jesus Christ to live transformed lives of joy and celebration.

Reflection Questions

1. Has there ever been a time in your life where your heart was hard but someone’s kindness softened your heart? How might you do this for someone else?
2. Do you struggle to believe that God loves you in spite of all your failures and successes? How might your life look different if you began to live out this truth from the core of who you are?
