## FROM THE HIGBYS

***Let the whole earth be filled with His glory! Psalm 72:19***

Last month marked the 800th language to receive a complete Bible! This number kind of snuck up on us, as we remember not too long ago there were only 500 languages that had a complete Bible. We checked, and that was back in 2013. Progress is accelerating, and it is exciting to be a part of God's plan to proclaim his Word to the nations. This means that approximately 6.2 billion people in 800 language communities now have access to the complete Word of God
