**UPDATE FROM PASTOR JIM VS...**

During my heart catheterization, they found a 95% blockage on the artery that supplies blood to the left side of the heart, the big pumper. The doctor called it the “widow maker” because usually

its first symptom is death! Since my surgery in December, my walk is back, my balance is back, and my appetite is back. I am overwhelmed that God saved me and in his grace brought me back to life.

**On Tuesday, February 13, we will kick off** a free weekly ESL class for adults in the Hispanic community. Weekly classes will meet in our building from 6:30 to 8:00 pm. Sample materials are on display in the fellowship hall.

The final training session for volunteers will be held this **Tuesday, February 6** at 6:30-8:30 pm.

Pat Lurvey and Pam Deese, Literacy Volunteers of Beaufort County (LVBC), are the trainers. LVBC is also providing curriculum and assistance in student assessment.

**It’s not too late to offer to help!** We could use more teachers and assistants, snack providers, drivers if students need transportation, and word of mouth advertising. See Ruth or Anne to volunteer.
