### Dictators, Dreams, and the Dominion of God Sermon Series on Daniel

I plan to preach four sermons on Daniel, chapters 1,2,7 and 9. The thread that I will be pulling on is the way that the empires of the world look so big in this book, and the people of the Lord, through whom all nations will be blessed, look so small, yet through it all the promise of God's kingdom stands.

### Daniel 2:1-49

#### God's Kingdom Is Here, and It Is Coming

This week's message highlights the fact that while the place of God's kingdom among the empires and nations of this world is revealed in Daniel 2, we also learn that those who are members of that kingdom have received knowledge that the rest of the world cannot access. This knowledge gives us a place to stand while the whole world is in flux.
