

*not here; he has risen, just as he said. Come and see the place where he lay. Then go quickly and tell his disciples: 'He has risen from the dead and is going ahead of you into Galilee. There you will see him.'*

The bright yellow star stitch signifies the brightness of the angel of the Lord.

The spiral that makes the stone shows it was rolled away.

The tomb is made with broken (or half) cross stitches to symbolize that Jesus broke the power of sin.

Imagine you were at the empty tomb and the angel spoke to you! What emotions would you experience?

Each Sunday during Lent, we'll focus on a Lent event on the banner on stage. The events begin at the bottom of the banner and build up to the resurrection. Each pair of blocks is linked by the color of the frame around the embroidered picture. Audrey and Anne made the banner together—Anne did the embroidery and Audrey did the piecing and quilting.

### The Empty Tomb

*Matthew 28:2-7: There was a violent earthquake, for an angel of the Lord came down from heaven and, going to the tomb, rolled back the stone and sat on it. His appearance was like lightning, and his clothes were white as snow. The guards were so afraid of him that they shook and became like dead men.*

*The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is*
