Dear Terra Ceia CRC,

On behalf of the staff, residents, and Board Members of Ruth's House, I would like to thank you for supporting our ongoing efforts for survivors of domestic violence. Your generous donation of school and art supplies and toiletries is already being graciously used and loved by our shelter clients.

Thank you for your support of Ruth's House. Your contributions are invaluable to our ability to provide services and supplies to domestic violence survivors. We are beyond grateful for your partnership and commitment to helping our community end domestic violence.

This past year, we have served 222 survivors and provided over 665 counseling and advocacy services. We responded to 221 crisis calls on our emergency hotline and provided shelter to 62 individuals. Our work continues because of your support and generosity. We are blessed to be surrounded by such a caring and involved community.

Sincerely,
Susan Keusenkothen
Executive Director

Church Family,

We would like to start a fall session of English as a Second Language (ESL) class. This has been a very rewarding and successful program; however to be able to provide this service to our community, we need additional help. We need a couple of teachers (no prerequisites required) and a couple of people to help with childcare. Youth (14+) and adults are welcome to help. We have been meeting at 7-8:30 pm Thursday evenings. Contact Gerda R or Jan VS if you can help. Thanks.
