How it works & why merchants use us

- Don't have the right bricks in stock? simply send us your requirements and we'll send you a quote back the same day.
- Need a brick match ? send us the images and we'll get you a match the same day.
- We can support your customer on your behalf to assist with matching and samples.
- Your brand sample panels available
- We wont give the brick name away - stopping margin erosion
- We wont **trade** directly with your customers- **Merchants ONLY**
