

We are tutors trained in Powertex which is a universal mixed media paint, glue and fabric hardener making it a must have for mixed media projects. Powertex is water based in its liquid form and is non-toxic (having the highest American AP Safety label) so won't irritate your skin.

We host workshops on an individual basis or in groups (maximum of four people) at Lode Way in Chatteris. In all our workshops you will be walked through the process of creating your own unique project with a combination of Powertex, natural materials and embellishments. Once dry you will be guided through the process of adding colour and highlights to the project to bring it to life. All the necessary materials are included in the price.

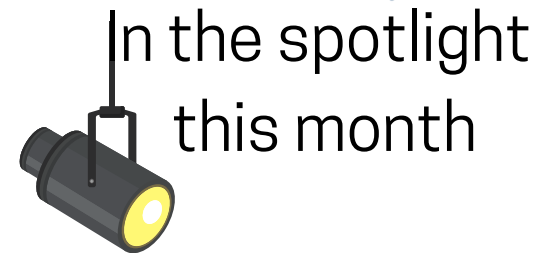

If you would like to join us for a workshop you can book via our website:

Forest Window Workshop

Step into a world of texture, colour, and imagination with our Powertex Forest Window Workshop — a full-day creative escape where you'll build a stunning 20cm x 20cm 3D canvas that looks through a woodland scene and into a magical clearing.

You'll sculpt depth and drama using Powertex, layered fabrics, and 3D Flex to create rich, tactile textures. Then bring your forest to life with a beautiful blend of acrylic paints and natural pigments, adding atmosphere, light, and your own artistic flair.

Whether you're a seasoned artist or a complete beginner, you'll be guided step-by-step as you craft your own unique focal image framed by trees, shadows, and woodland mystery. No previous Powertex experience is needed — just enthusiasm and a willingness to get creative.

Expect a relaxed, friendly environment, plenty of support, and a finished piece you'll be proud to display.
