

We are tutors trained in Powertex which is a universal mixed media paint, glue and fabric hardener making it a must have for mixed media projects. Powertex is water based in its liquid form and is non-toxic (having the highest American AP Safety label) so won't irritate your skin.

We host workshops on an individual basis or in groups (maximum of four people) at Lode Way in Chatteris. In all our workshops you will be walked through the process of creating your own unique project with a combination of Powertex, natural materials and embellishments. Once dry you will be guided through the process of adding colour and highlights to the project to bring it to life. All the necessary materials are included in the price.

If you would like to join us for a workshop you can book via our website:

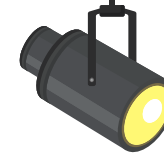

www.fenmillcrafts.co.uk

Alternatively you can email us at fenmillcrafts@gmail.com or call us on 07395 086675.

We will be happy to assist and answer any questions.

New Taster Workshop

July 2024

Heart Taster Session

Price shown is Valid Until October 2024

Heart Taster Session

We all struggle to make time in our busy lives for 'me time'. For those of you who have been wanting to try Powertex we have introduced a new taster session. You will be able to come and create a heart plaque in your own unique style.

If you enjoy the process and want to learn more we are running an offer until the end of July. Come and join us for a taster session and if you decide you want to expand your skills then we will give a 5% discount on a full workshop booked within 30 days of your taster session.

Take that leap and come and join us. You'll be amazed at what you can create.
