

We are tutors trained in Powertex which is a universal mixed media paint, glue and fabric hardener making it a must have for mixed media projects. Powertex is water based in its liquid form and is non-toxic (having the highest American AP Safety label) so won't irritate your skin.

We host workshops on an individual basis or in groups (maximum of four people) at Lode Way in Chatteris. In all our workshops you will be walked through the process of creating your own unique project with a combination of Powertex, natural materials and embellishments. Once dry you will be guided through the process of adding colour and highlights to the project to bring it to life. All the necessary materials are included in the price.

If you would like to join us for a workshop you can book via our website:

www.fenmillcrafts.co.uk

Alternatively you can email us at fenmillcrafts@gmail.com or call us on 07395 086675.

We will be happy to assist and answer any questions.

Canvas Workshop

Take some time out and join us for this fun workshop. Start with a blank 30 x 30cm canvas, add texture with 3D-Flex, natural paper and some stone art clay embellishments. Powertex is used as the binder for the fabulous liquid power sprays.

There will be a break whilst the canvas is dried and then the finishing touches are added with some dry brushing.

Lots of hints and tips will be provided along the journey in a relaxing environment and at the end of the session you'll be able to take away a finished canvas ready to hang at home.

We create alongside you so that you can see each step of the process.
